To:

THE HONOURABLE MINISTER DOUG DOWNEY and the man or woman acting as such
MINISTER OF JUSTICE AND ATTORNEY GENERAL OF ONTARIO

McMurtry-Scott Building
720 Bay Street, 11th floor
Toronto, Ontario M7A 2S9

Greetings,

Subject: Ontario Court of Justice Criminal "Case Number 1211998221210303201";
Halton Regional Police Occurrence # 202200352077

I communicate in everyday English, not legalese or commercial jargon.

I wrote to you about this matter via registered mail on December 19, 2022 (RN 645 133 374 CA)
and through your website on September 24, 2023 (see the enclosed email and screenshot) but
did not receive a response from you. *cm.*

On November 28, 2022, a man acting under your control forced incoherent internal corporate
forms that are not addressed to me onto me, by mixing them with my belongings. *(see enclosed copies)*
cm.

I have never been served with a summons or any proceedings issued by a court in relation to
this matter.

I have not been served with a verified claim of trespass or an "offence notice" in relation to this
matter.

I have never given an undertaking to a peace officer or "entered into a recognizance" for my
appearance in court.

Therefore I could not have "failed to appear" in court in relation to this matter.

Nevertheless, this matter was before a "court" apparently using the name Ontario Court of
Justice, Milton, on December 19, 2022. The man Mark J. Curtis acted as Justice of the Peace.

On the record in courtroom M9, Mark did, I believe unlawfully, threaten men and women that
when "their name" was called they must attorn themselves to the court by stating the name
and nothing else, or else he would issue a warrant for their "arrest" and they might spend
Christmas in jail.

I had no obligation to "appear" or attorn myself. The name "CHRISTINE MASSEY" was called and I did not speak. Mark did issue a warrant.

On October 26, 2023 this matter was still listed as "Case Number 1211998221210303201" on the justiceservices.jus.gov.on.ca website, with a bench warrant indicated.

I have no desire to open a "My Ontario Account" and cannot lawfully be forced to associate in such a manner. Therefore I am no longer able to access the registry of court cases at justiceservices.jus.gov.on.ca, which appears to be a private registry.

Therefore I ask you:

Has this matter been permanently removed from the registry yet, and has the warrant been quashed yet?

If not, I ask that you kindly ensure that this warrant is quashed/cancelled, and that this entire matter is permanently withdrawn/concluded immediately, and that nothing will show up in any background checks or the registry or anything else that could further damage my reputation and cause me more stress.

For the last 16 months I have been afraid to visit a courthouse or police station or anywhere else that someone acting as peace or police officer might be.

I ask that you kindly respond to me in writing about this.

Respectfully, without contracting or promising to perform, and with all rights reserved,

From the woman:

Greetings,

Subject: Ontario Court of Justice Criminal "Case Number 12119982212.10303201",
Halton Regional Police Occurrence # 202200352077

I communicate in everyday English, not legalese or commercial jargon.

I wrote to you about this matter via registered mail in letters dated December 1, 2022
(RN 645 132 087 CA) and December 19, 2022 (RN 645 133 391 CA), through your
website on September 24, 2023, and again via registered mail on March 25, 2024
(RN 743 302 183 CA) but did not receive a response from you.

Since I last wrote to you an anonymous man or woman acting under your control
and identifying as "Property & Evidence Management Unit" sent a letter dated April
10, 2024 and labeled "HALTON REGIONAL POLICE SERVICE" to the address that I
provided you.

In this letter your agent threatens to "dispose of" property that your agents
took from me on November 28, 2022 if "Christine Massey" does not claim the
property by May 10, 2024.

Further, your agent states "You MUST call to make an appointment... If you
cannot attend... you may designate someone to come on your behalf...
Please bring identification with you..."

I already "claimed" this property and other forms of remedy (relict over 16
months ago in my letters dated December 1, 2022 and December 19, 2022.

Also, as I explained to you in my letter dated March 25, 2024, for the last 17 months I have been afraid to visit a courthouse or police station or anywhere else that someone acting as peace or policy/police officer might be. Photos of the bruise that your agents caused to my arm on November 28, 2022 are posted to my website, i.e.:

<https://fluoridefreepeel.ca/wp-content/uploads/2022/bruise.jpg>

I cannot in good conscience ask anyone else to get involved in this matter given the behaviour of your agents.

Therefore, I ask once again that you kindly respond to me in writing and ensure that the warrant is quashed/cancelled and that this entire matter is permanently withdrawn/concluded immediately and that nothing will show up in any background checks or your private court case registry or anywhere else that could further damage my reputation and future prospects and cause me more stress.

I also ask again that you return the property to me. Please have your agents send it by registered mail to the address provided below.

Respectfully, without contracting or promising to perform, and with all rights reserved,

Christine
