Subject: FOIL request
To: dan.stapleton@niagaracounty.com <dan.stapleton@niagaracounty.com>

Dear Mr. Stapleton:

I hope this finds you well. This is Public Request Under the New York Freedom of Information Law, N.Y. Pub. Off. Law sec. 84 et seq., I am requesting an opportunity to inspect or obtain copies of public records of the following:

Request for all Scientific White Papers, Reports, Studies Related to

- 1) the Isolation of SARS-COV-2 Virus/COVID-19 Virus in human beings and
- 2) the Isolation of SARS-COV-2 Virus/COVID-19 Virus, "Delta Variant" in human beings directly from a sample taken from a labeled COVID-Diseased or COVID-Dead Patient (diseased or dead only due to SARS-COV-2 Virus/COVID-19 Virus or Delta Variant of SARS-COV-2 Virus/COVID-19 Virus), where the sample was not first combined in any way with any other genetic material, and where the Patient did not have any other disease such as Pneumonia, Influenza, etc;
- 3) the Inducement of the COVID-19 disease in a healthy person using this Isolate of the SARS-COV-2 Virus/COVID-19 Virus proving Koch's postulates of Disease Transmission;
- 4) the Inducement of the COVID-19 disease in a healthy person using this Isolate of the "Delta Variant" of the SARS-COV-2 Virus/COVID-19 Virus proving Koch's postulates of Disease Transmission;

and forming the basis for all ill-advised restrictions and advisories--particularly regarding public transport, masking and vaccines in schools and colleges--previously made, being made, or planned by the New York State Department of Public Health, the New York State Governor, the CDC, and the US Dept of Health and Human Services citing the Existence of a Virus, a Variant, a Pandemic, and a Public Health Emergency.

Clarification 1: This is a request for full disclosure of all scientific studies, reports, and white papers related to the isolation of the SARS-COV-2/COVID-19 virus and Delta Variant in human beings, which form the

Proof of Virus, Proof of Pandemic, and Reason for Use/Basis used for all the questionable "Public Health" "mandates" "guidances" "advisories" and "requirements" issuing forth from the New York State Dept of Public Health, the Governor's office, and the CDC, for wearing hazardous health-destroying masks, feudally directing human behavior in distancing six feet, and coercing the taking of an experimental and deadly mRNA vaccine (Which has now been recorded, as of August 3, 2021 by the CDC, EudraVigilance, MHRA Yellow Card Scheme and other Vaccine Adverse Reactions Databases to have now jointly caused 35,227 DEATHS and 3,679,601 INJURIES (as reported to CDC VAERS (USA) through to July 23, 2021, to EudraVigilance (which covers 27 countries only in the EU reporting to the EU EMA EudraVigilance) through to July 31, 2021, and to the Yellow Card System (U.K.) through to July 21, 2021."--Sources:

CDC: 11,940 DEAD 618,648 Injuries and 1,175 Unborn Babies DEAD Following COVID-19 Shots/Health Impact News, August 1, 2021;

20,595 DEAD 1.9 Million Injured (50% SERIOUS) Reported in European Union's Database of Adverse Drug Reactions for COVID-19 Shots/Health Impact News, August 3, 2021)

Clarification 2: Isolate means "to separate something from other things with which it is connected or mixed"--Cambridge Dictionary definition.

Clarification 3: This request is not for information on something procured by means of

- 1) Culturing something,
- 2) Nasally swabbing something from any randomly sick (with some other disease) or healthy person,
- 3) Amplifying something via PCR Test (Which its inventor Dr. Kary Mullis has clearly stated is not to be used to diagnose any disease),
- 4) the Sequencing of something,
- 5) or the Computer-Generated Sequencing of something.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 5 business days, as New York Freedom of Information Law requires.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you for considering my request.

Respectfully,

████████████████████

NIAGARA COUNTY DEPARTMENT OF HEALTH
5467 Upper Mountain Road, Suite 100
Lockport, New York 14094-1894

Daniel J. Stapleton, MBA
Public Health Director

February 10, 2023

Re: FOIL Request #040-23

To Whom It May Concern:

In response to your Freedom of Information Law request received via e-mail and assigned the above reference number by Niagara County Legislature office on Monday, February 6, 2023, we have no information responsive to this request.

Sincerely,

Daniel J. Stapleton
Public Health Director

cc: A. Tomasino, Legislative Clerk – Niagara County
J. Sansone, Assistant County Attorney – Niagara County
G. Lisowski, Assistant County Attorney – Niagara County

Note: You have the right to appeal this decision, should you desire, directly to the Chairman of the Niagara County Legislature, Niagara County Courthouse, 175 Hawley Street, Lockport, New York 14094; Telephone (716) 439-7000. Such an appeal must be in writing. You must include a copy of both your FOIL request and this department's reply. You must serve the appeal notice within thirty (30) days of this reply.
