To all who receive these presents:

2.5 months after ordering (not "requesting") all studies in the possession/custody/control of Robert F. Kennedy Jr. and/or the U.S. Department of Health and Human Services Office of the Secretary, authored by anyone, anywhere, ever:

1. - that scientifically prove/provide evidence of the existence of the alleged measles virus or SARS-COV-2, or
2. - that at least describe the purification of particles that are alleged to be either of said alleged viruses directly from bodily fluid/tissue/excrement of so-called "hosts", or
3. - wherein the purported "genome" of either alleged virus was found intact in the bodily fluid/tissue/excrement of a "host" (as opposed to fabricated in silico aka computer modelled), or
4. - that scientifically demonstrate contagion of the illness / symptoms that are alleged to be caused by either alleged virus, or
5. - wherein the accuracy of any test alleged to relate to either alleged virus was assessed in a valid manner, or
6. - wherein "measles" or "covid-19" was shown to be a distinct illness that can be clearly differentiated from other health conditions...

... Arianne M. Perkins Director, Initial FOIA Requests FOI/Privacy Acts Division assures me that:

"The actual time needed to process your request will depend.... Our current workload is approximately 7000 cases."

The scam artist Kennedy [guttled FOIA offices](#) months ago.... gee I wonder why.

Life in prison.
