To all whom these presents shall come or whom the same may in any way concern,

On February 19, 2025, I filed a FOIA order ([pgs 1-3](#) and attached) with the National Institute of Allergy and Infectious Diseases, for all studies in the possession/custody/control of the institution, **authored by anyone, anywhere, ever:**

1. that scientifically prove/provide evidence of the existence of an alleged avian influenza virus, and/or
2. that even describe the purification of particles alleged to be said alleged virus, directly from bodily fluid/tissue/excrement of so-called "hosts", and/or
3. wherein the purported "genome" of said alleged virus was found intact in the bodily fluid/tissue/excrement of a "host" (as opposed to assembled in silico aka computer modelled), and/or
4. that scientifically demonstrate the claimed contagious nature of the illness allegedly caused by said alleged virus, and/or
5. wherein any test relating to said alleged virus was validated.

I included the following note, based on my past experience with NIAID:

"Please do not send me idiotic "AI" emails and then ignore me for months and months as was done in response to the HPV and monkeypox virus orders. You can simply admit that there are no records or prove me wrong by providing or citing them"

and a note regarding Urgency & Danger to Life:

"This is an urgent public health issue: people and/or animals will be culled and/or injected and/or "treated" with dangerous ingredients under the premise of a never-shown-to-exist virus."

And as usual, I asked that if any records matched the above description and were available elsewhere, I be provided citations so that I could identify and access them.

Two months later, on April 28, 2025, I followed up on the dead-silence from NIAID, asking that they kindly send the ordered records, or admit that they can't because none exist anywhere on the face of the planet ([pg 4](#) and attached).

Another 4 months later, on August 17, 2025, with hundreds of people copied as witnesses, I notified Donald Trump and Robert F. Kennedy Jr. that I accepted the ongoing silence as the official confession of the institute and those running and overseeing it that they don't have a shred of evidence to back up their bird flu / avian influenza scam ([pgs 5-7](#) and attached).
