To:
man or woman acting as Freedom of Information Office Coordinator
National Institute of Allergy and Infectious Diseases (NIAID)

Good day,

I am placing an order for access to general records, per the Freedom of Information Act and have copied some people to witness this order. I am not seeking legal advice or personal information.

Please do not send me idiotic "AI" emails and then ignore me for months and months as was done in response to the HPV and monkeypox virus orders. You can simply admit that there are no records or prove me wrong by providing or citing them.

Ordered Records:

All studies in the possession/custody/control of the National Institute of Allergy and Infectious Diseases, authored by anyone, anywhere, ever:

1. that scientifically prove/provide evidence of the existence of any alleged "avian influenza virus" (showing at minimum that the alleged particles with a specific "genome" and proteins exist and cause the illness/symptoms that they are alleged to cause)

Note: Scientific proof/evidence is not opinions, speculation, declarations, review papers or descriptive studies. Scientific evidence requires use of the scientific method to test falsifiable hypotheses through valid, rigorous, repeatable controlled experiments.

2. or, that even describe the purification of particles that are alleged to be said alleged virus, directly from bodily fluid/tissue/excrement of so-called "hosts" (without adding any sources of genetic material or proteins) with purification confirmed via EM images (the images must be available as well)

Purify = separate from everything else in the clinical sample.

I am aware that according to "virus" dogma a "virus" requires host cells in order to replicate and am not seeking records describing the replication of a "virus" without "host" cells, or that describe a suspected "virus" floating in a vacuum or a strict fulfillment of Koch's Postulates. I am simply seeking records that describe purification (separation from everything else in the "host" sample). I am not seeking private patient records.

3. or, wherein the purported "genome" of said alleged virus was found intact in the bodily fluid/tissue/excrement of a so-called "host" (as opposed to fabricated/assembled in silico, aka a computer model).

4. or, that scientifically demonstrate the claimed contagious nature of the illness / symptoms that are allegedly caused by said alleged virus.

5. or, wherein any test relating to said alleged virus was validated (logically, this requires the alleged virus to first be shown to exist, see #1).

Urgency & Danger to Life

This is an urgent public health issue: people and/or animals will be culled and/or injected and/or "treated" with dangerous ingredients under the premise of a never-shown-to-exist virus.

Publicly Available Records

If any records match the above description of requested records and are currently available to "the public" elsewhere, please assist me by providing enough information about each record so that I may identify and access each one with certainty (i.e. title, author(s), date, journal, location). Please provide URLs and/or DOIs where possible.

Timeframe:

If a timeframe is necessary, please use January 1, 1900 - the date of the search.

Format:

Searchable pdf documents sent to me via email; please do not ship anything to me.

Privacy:

I do not agree to this order or "personal information" being shared with 3rd parties including those that provide FOIA services, without my explicit written consent.

Hello,

It has been more than 2 months; kindly send the records or admit that you can't because none exist.

c/o NIH and HHS FOIA officers
via email to: nhlbi.foiarequest@nhlbi.nih.gov, FOIARequest@hhs.gov

The 6 months of silence in response to my "bird flu" FOIA order is hereby accepted as the official confession of the institute and those running and overseeing it that they do not have any valid logical studies, authored by anyone, anywhere, ever, showing the claimed existence of the alleged avian influenza virus, or even the alleged "viral genome", or a contagious illness, let alone a validated test.

Anyone who reads "virus isolation" and "sequencing" studies can see that the methodologies employed by virologists have always been wildly invalid, illogical and frankly idiotic and that the institute and its "experts", overseers and principals are complicit in a horrific and massive fraud / constructive fraud... and that the same is true with respect to all of your "virus" narratives.

Life in prison. Rot in hell!

Notarized affidavit and examples of the pseudoscience, attached.
